

Safety Zone: Nine Keys to a Successful Accident Prevention Program

Creating a safe workplace for employees to perform their duties is essential in reducing accidents, injuries and illnesses that hurt employees and create financial liabilities for employers. Employers who emphasize safety and empower workers to take responsibility for their own and their co-workers' well-being is a sound and desirable business practice. Not only is focusing on safety the right thing for employees and their families, but it is also a real-world approach that can increase quality, loyalty, operational efficiencies and the company's overall financial performance.

The following steps can be used as a starting place to create and maintain an organization that continually identifies and analyzes its risks measured against existing controls and makes the needed improvements for the company's betterment.

1. Top management support and active leadership in safety must exist, and a [written safety policy](#) must be communicated to all employees.
2. Supervisors should be held accountable for the incidence of job-related injuries just as they are held responsible for production and quality objectives. Their performance evaluations should consider their units' safety performance.
3. Supervisors should be trained, have a solid understanding of and be responsible for the following activities:
 - [Job hazard analysis](#)
 - Regular workplace inspections
 - Accident investigation
 - Employee relations and motivational techniques
 - Costs of accidents on production and company profits
 - Safety rules and procedures
 - Work closely with HR to return injured workers to productive activity within the medical restrictions assigned by the treating physician until they are released to full duty or otherwise released from medical care
4. Effective training, particularly of new employees, is critical. In some industries, it is estimated that new employees (less than six months on the job) account for 30% of all injuries. Poor work habits or unsafe behavior should be corrected immediately. A formal system of disciplining employees for unsafe behavior is recommended; however, only after determining why an employee acted unsafely ([root cause analysis](#)).
 - Highlight safety in all phases of the hiring process and integrate safe behavior into job training, starting on day one
 - Make sure that leaders are continually emphasizing safety as a top priority and that it is integrated into all job functions
 - Keep training relevant by aligning it with actual workplace hazards and conditions (see Job Hazard Analysis in 3)
 - Train employees when new procedures are introduced
 - Train employees when safety performance is not meeting objectives, and lack of understanding is identified
 - Train employees on the hazards of chemicals and proper controls using Safety Data Sheets available from the supplier or manufacturer
 - Contact your workers' compensation insurance carrier to see what [training resources](#) are available to you as a policyholder

5. Establish a safety committee that includes top management, front-line supervisors and production personnel. Safety committees must discuss accidents, solutions, hazards and their correction. They must be focused on priorities, and management should make every effort to implement the solutions they offer. Meetings should have set agendas to avoid them becoming “gripe sessions.”

6. Accidents can still occur, so therefore it is necessary to have post-accident procedures in place:

- Proper first aid training, supplies and emergency medical response communication numbers/procedures posted and easily accessed
- Prompt and thorough accident investigation
- Prompt claims reporting to your insurance company
- A return-to-work program

7. The importance of having proper hiring procedures in place cannot be overstated. All those involved in the selection and interviewing of job candidates should have a thorough understanding of the various hiring stages and what inquiries may legally be made in each stage to be confident that the new hire is physically able to perform the work and will adhere to the company’s safety and other requirements. Additionally, to ensure that you know you have properly obtained information about any pre-existing medical conditions or disabilities being brought into the workplace. Applicable employment laws will guide this important step. The employer should seek human resource experts and/or legal counsel to confirm they are complying with the many local, state and federal laws that may apply.

8. Actively solicit, encourage and act on employees’ concerns, safety suggestions and ideas.

9. An incentive program might be adopted to motivate improved performance in safety. However, a program should only be implemented after the other elements of your safety program are in place and working. Any incentive program should be meaningful and fair, and it should be evaluated periodically to ensure that it is effective and producing the desired effect. A common complaint about incentive programs is that they tend to suppress reporting of incidents and injuries—something you certainly want to avoid.

Risk Transfer and Certificates of Insurance

What is Risk Transfer?

Risk transfer is a risk control plan of action or strategy that contractually shifts the risk of doing business from one party to another. An example of this would be a property owner who hires a contractor to provide services for his building rather than hiring his own staff of repair personnel. By doing this, the property owner transfers the risk of potential claims or losses onto the contracting firm hired.

The question now is – what should this property owner request from the contractor hired to ensure that the risk is properly transferred to the contractor? At a minimum, a written agreement that the property owner be included as an Additional Insured on the contractor's own insurance policy and that a Certificate of Insurance (COI) be provided from the contractor's insurer or insurance agent. It should also include that the contractor's insurance for the owner is primary and non-contributory. It is strongly recommended the written contract between the two parties include an indemnification clause that specifies the contractor agrees to hold the property owner harmless, thereby eliminating the risk of the owner's liability for the contractor's operations. When permitted, such terms should also be included within the Additional Insured endorsement.

What is a Certificate of Insurance?

A Certificate of Insurance is a document used to provide information regarding specific insurance coverage held by an individual organization. This COI provides verification of the individual organization's insurance coverage, lines of coverage and limits of coverage. It provides the name of the insurance company, the policy number(s), the named insured and the policies' effective dates. As a caution, this document is merely a "snapshot in time" – a representation of a single point in time that is issued by the other party.

Though uncommon, a Certificate of Insurance may be potentially fraudulent. The COI should come directly from the other party's agent or insurance carrier rather than from the subcontractor or vendor. The party hiring the vendor or subcontractor should ensure that the name of the insured on the COI exactly matches the name of the vendor or subcontractor hired.

Certificates of Insurance are not enough to protect the assets of a company. To ensure they are properly covered, property owners should have a contract developed between themselves and the vendor or subcontractor hired.

Contractual Risk Transfer – Redefined

A contractual risk transfer is a non-insurance *contract and/or agreement* between the two parties whereby one agrees to hold another party harmless for specified actions, inactions, injuries or damages and indemnify the owner. A well-drafted risk transfer agreement is one of the most effective ways to ensure risk of loss is properly allocated to the party that both creates the risk and has the ability to control that risk.

All contracts and/or agreements should be formalized as a written contract developed by legal counsel, as the use of the property owner's legal counsel is key to ensuring that liability is adequately controlled. The contract wording should include:

- **Hold Harmless Agreement:** A clause in the contract that releases one party from consequences or liabilities due to the act of the other party. It is important to note that hold harmless agreements work both ways – and you need to ensure that this agreement is in your favor.
- **Indemnification:** An indemnity agreement ensuring that proper compensation is available for losses or damage.
- **Waiver of Subrogation:** An endorsement that prohibits an insurance carrier from recovering the money they paid on a claim from a third party that may be negligent.
- **Primary and Noncontributory Requirement:** An inclusive contractual requirement that requires the vendor's or subcontractor's policy to pay before other applicable primary policies and without seeking contribution from other available insurance.
- **Additional Insured Status:** The vendor or subcontractor is required to endorse the property owner onto its general liability policy as an "Additional Insured."

SECTION I – COVERAGES

COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY

1. Insuring Agreement

- a. We will pay on behalf of the insured the "ultimate net loss" in excess of the "retained limit" because of "bodily injury" or "property damage" to which this insurance applies. We will have the right and duty to defend the insured against any "suit" seeking damages for such "bodily injury" or "property damage" when the "underlying insurance" does not provide coverage or the limits of "underlying insurance" have been exhausted. When we have no duty to defend, we will have the right to defend, or to participate in the defense of, the insured against any other "suit" seeking damages to which this insurance may apply. However, we will have no duty to defend the insured against any "suit" seeking damages for "bodily injury" or "property damage" to which this insurance does not apply. At our discretion, we may investigate any "occurrence" that may involve this insurance and settle any resultant claim or "suit" for which we have the duty to defend. But:
- (1) The amount we will pay for the "ultimate net loss" is limited as described in Section III – Limits Of Insurance; and
 - (2) Our right and duty to defend ends when we have used up the applicable limit of insurance in the payment of judgments or settlements under Coverages A or B.
- b. This insurance applies to "bodily injury" or "property damage" that is subject to an applicable "retained limit". If any other limit, such as a sublimit, is specified in the "underlying insurance", this insurance does not apply to "bodily injury" or "property damage" arising out of that exposure unless that limit is specified in the Declarations under the Schedule of "underlying insurance".
- c. This insurance applies to "bodily injury" and "property damage" only if:
- (1) The "bodily injury" or "property damage" is caused by an "occurrence" that takes place in the "coverage territory";
 - (2) The "bodily injury" or "property damage" occurs during the policy period; and
 - (3) Prior to the policy period, no insured listed under Paragraph 1.a. of Section II – Who Is An Insured and no "employee" authorized by you to give or receive notice of an "occurrence" or claim, knew that the "bodily injury" or "property damage" had occurred, in whole or in part. If such a listed insured or authorized "employee" knew, prior to the policy period, that the "bodily injury" or "property damage" occurred, then any continuation, change or resumption of such "bodily injury" or "property damage" during or after the policy period will be deemed to have been known prior to the policy period.
- d. "Bodily injury" or "property damage" which occurs during the policy period and was not, prior to the policy period, known to have occurred by any insured listed under Paragraph 1.a. of Section II – Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim, includes any continuation, change or resumption of that "bodily injury" or "property damage" after the end of the policy period.

e. "Bodily injury" or "property damage" will be deemed to have been known to have occurred at the earliest time when any insured listed under Paragraph 1.a. of Section II – Who Is An Insured or any "employee" authorized by you to give or receive notice of an "occurrence" or claim:

- (1) Reports all, or any part, of the "bodily injury" or "property damage" to us or any other insurer;
- (2) Receives a written or verbal demand or claim for damages because of the "bodily injury" or "property damage"; or
- (3) Becomes aware by any other means that "bodily injury" or "property damage" has occurred or has begun to occur.

 - (a) Liability to such party for, or for the cost of, that party's defense has also been assumed in the same "insured contract"; and

For the purposes of this exclusion, permitting a person to bring alcoholic beverages on your premises, for consumption on your premises, whether or not a fee is charged or a license is required for such activity, is not by itself considered the business of selling, serving or furnishing alcoholic beverages.

However, none of these "employees" or "volunteer workers" are insureds for:
 - (a) "Bodily injury" or "personal and advertising injury":
 - (i) To you, to your partners or members (if you are a partnership or joint venture), to your members (if you are a limited liability company), to a co-"employee" in the course of his or her employment or performing duties related to the conduct of your business or to your other "volunteer workers" while performing duties related to the conduct of your business;

 - (a) With respect to liability arising out of the maintenance or use of that property; and

- c. Any organization you newly acquire or form, other than a partnership, joint venture or limited liability company, and over which you maintain ownership or majority interest, will qualify as a Named Insured if there is no other similar insurance available to that organization. However:
- (1) Coverage under this provision is afforded only until the 90th day after you acquire or form the organization or the end of the policy period, whichever is earlier;
 - (2) Coverage **A** does not apply to "bodily injury" or "property damage" that occurred before you acquired or formed the organization; and
 - (3) Coverage **B** does not apply to "personal and advertising injury" arising out of an offense committed before you acquired or formed the organization.
2. Only with respect to liability arising out of the ownership, maintenance or use of "covered autos":
- a. You are an insured.
 - b. Anyone else while using with your permission a "covered auto" you own, hire or borrow is also an insured except:
 - (1) The owner or anyone else from whom you hire or borrow a "covered auto". This exception does not apply if the "covered auto" is a trailer or semitrailer connected to a "covered auto" you own.
 - (2) Your "employee" if the "covered auto" is owned by that "employee" or a member of his or her household.
 - (3) Someone using a "covered auto" while he or she is working in a business of selling, servicing, repairing, parking or storing "autos" unless that business is yours.

 - (b) The spouse, child, parent, brother or sister of that fellow "employee" as a consequence of Paragraph (a) above.
- c. Anyone liable for the conduct of an insured described above is also an insured, but only to the extent of that liability.
3. Any additional insured under any policy of "underlying insurance" will automatically be an insured under this insurance.
- Subject to Section III – Limits Of Insurance, if coverage provided to the additional insured is required by a contract or agreement, the most we will pay on behalf of the additional insured is the amount of insurance:
- a. Required by the contract or agreement, less any amounts payable by any "underlying insurance"; or
 - b. Available under the applicable Limits of Insurance shown in the Declarations; whichever is less.
- Additional insured coverage provided by this insurance will not be broader than coverage provided by the "underlying insurance".
- No person or organization is an insured with respect to the conduct of any current or past partnership, joint venture or limited liability company that is not shown as a Named Insured in the Declarations.

SECTION III – LIMITS OF INSURANCE

1. The Limits of Insurance shown in the Declarations and the rules below fix the most we will pay regardless of the number of:
 - a. Insureds;
 - b. Claims made, "suits" brought, or number of vehicles involved; or
 - c. Persons or organizations making claims or bringing "suits".
2. The Aggregate Limit is the most we will pay for the sum of all "ultimate net loss" under:
 - a. Coverage **A**, except "ultimate net loss" because of "bodily injury" or "property damage" arising out of the ownership, maintenance or use of a "covered auto"; and
 - b. Coverage **B**.
3. Subject to Paragraph 2. above, the Each Occurrence Limit is the most we will pay for the sum of all "ultimate net loss" under Coverage **A** because of all "bodily injury" and "property damage" arising out of any one "occurrence".
4. Subject to Paragraph 2. above, the Personal And Advertising Injury Limit is the most we will pay under Coverage **B** for the sum of all "ultimate net loss" because of all "personal and advertising injury" sustained by any one person or organization.
5. If there is "underlying insurance" with a policy period that is nonconcurrent with the policy period of this Commercial Liability Umbrella Coverage Part, the "retained limit(s)" will only be reduced or exhausted by payments for:
 - a. "Bodily injury" or "property damage" which occurs during the policy period of this Coverage Part; or
 - b. "Personal and advertising injury" for offenses that are committed during the policy period of this Coverage Part.

However, if any "underlying insurance" is written on a claims-made basis, the "retained limit(s)" will only be reduced or exhausted by claims for that insurance that are made during the policy period, or any Extended Reporting Period, of this Coverage Part.

The Aggregate Limit, as described in Paragraph 2. above, applies separately to each consecutive annual period and to any remaining period of less than 12 months, starting with the beginning of the policy period shown in the Declarations, unless the policy period is extended after issuance for an additional period of less than 12 months. In that case, the additional period will be deemed part of the last preceding period for purposes of determining the Limits of Insurance.

SECTION IV – CONDITIONS

1. Appeals

If the "underlying insurer" or insured elects not to appeal a judgment in excess of the "retained limit", we may do so at our own expense. We will also pay for taxable court costs, pre- and postjudgment interest and disbursements associated with such appeal. In no event will this provision increase our liability beyond the applicable Limits of Insurance described in Section III – Limits Of Insurance.

2. Bankruptcy

a. Bankruptcy Of Insured

Bankruptcy or insolvency of the insured or of the insured's estate will not relieve us of our obligations under this Coverage Part.

b. Bankruptcy Of Underlying Insurer

Bankruptcy or insolvency of the "underlying insurer" will not relieve us of our obligations under this Coverage Part.

However, this insurance will not replace the "underlying insurance" in the event of bankruptcy or insolvency of the "underlying insurer". This insurance will apply as if the "underlying insurance" were in full effect.

3. Duties In The Event Of Occurrence, Offense, Claim Or Suit

- a. You must see to it that we are notified as soon as practicable of an "occurrence" or an offense, regardless of the amount, which may result in a claim. To the extent possible, notice should include:

- (1) How, when and where the "occurrence" or offense took place;
- (2) The names and addresses of any injured persons and witnesses; and
- (3) The nature and location of any injury or damage arising out of the "occurrence" or offense.

- b. If a claim is made or "suit" is brought against any insured, you must:

- (1) Immediately record the specifics of the claim or "suit" and the date received; and
- (2) Notify us as soon as practicable.

You must see to it that we receive written notice of the claim or "suit" as soon as practicable.

- c. You and any other involved insured must:

- (1) Immediately send us copies of any demands, notices, summonses or legal papers received in connection with the claim or "suit";

- (2) Authorize us to obtain records and other information;
 - (3) Cooperate with us in the investigation or settlement of the claim or defense against the "suit"; and
 - (4) Assist us, upon our request, in the enforcement of any right against any person or organization which may be liable to the insured because of injury or damage to which this insurance may also apply.
- d. No insured will, except at that insured's own cost, voluntarily make a payment, assume any obligation, or incur any expense, other than for first aid, without our consent.

4. Legal Action Against Us

No person or organization has a right under this Coverage Part:

- a. To join us as a party or otherwise bring us into a "suit" asking for damages from an insured; or
- b. To sue us on this Coverage Part unless all of its terms have been fully complied with.

A person or organization may sue us to recover on an agreed settlement or on a final judgment against an insured; but we will not be liable for damages that are not payable under the terms of this Coverage Part or that are in excess of the applicable limit of insurance. An agreed settlement means a settlement and release of liability signed by us, the insured and the claimant or the claimant's legal representative.

5. Other Insurance

- a. This insurance is excess over, and shall not contribute with any of the other insurance, whether primary, excess, contingent or on any other basis. This condition will not apply to insurance specifically written as excess over this Coverage Part.

When this insurance is excess, we will have no duty under Coverages **A** or **B** to defend the insured against any "suit" if any other insurer has a duty to defend the insured against that "suit". If no other insurer defends, we will undertake to do so, but we will be entitled to the insured's rights against all those other insurers.

- b. When this insurance is excess over other insurance, we will pay only our share of the "ultimate net loss" that exceeds the sum of:
 - (1) The total amount that all such other insurance would pay for the loss in the absence of the insurance provided under this Coverage Part; and

- (2) The total of all deductible and self-insured amounts under all that other insurance.

6. Premium Audit

- a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.
- b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.
- c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

7. Representations Or Fraud

By accepting this policy, you agree:

- a. The statements in the Declarations are accurate and complete;
- b. Those statements are based upon representations you made to us;
- c. We have issued this policy in reliance upon your representations; and
- d. This policy is void in any case of fraud by you as it relates to this policy or any claim under this policy.

8. Separation Of Insureds

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

- a. As if each Named Insured were the only Named Insured; and
- b. Separately to each insured against whom claim is made or "suit" is brought.

9. Transfer Of Rights Of Recovery Against Others To Us

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

10. When We Do Not Renew

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

11. Loss Payable

Liability under this Coverage Part does not apply to a given claim unless and until:

- a. The insured or insured's "underlying insurer" has become obligated to pay the "retained limit"; and
- b. The obligation of the insured to pay the "ultimate net loss" in excess of the "retained limit" has been determined by a final settlement or judgment or written agreement among the insured, claimant and us.

12. Transfer Of Defense

When the underlying limits of insurance have been used up in the payment of judgments or settlements, the duty to defend will be transferred to us. We will cooperate in the transfer of control to us of any outstanding claims or "suits" seeking damages to which this insurance applies which would have been covered by the "underlying insurance" had the applicable limit not been used up.

13. Maintenance Of/Changes To Underlying Insurance

Any "underlying insurance" must be maintained in full effect without reduction of coverage or limits except for the reduction of the aggregate limit in accordance with the provisions of such "underlying insurance" that results from payment of claims, settlement or judgments to which this insurance applies.

Such exhaustion or reduction is not a failure to maintain "underlying insurance". Failure to maintain "underlying insurance" will not invalidate insurance provided under this Coverage Part, but insurance provided under this Coverage Part will apply as if the "underlying insurance" were in full effect.

If there is an increase in the scope of coverage of any "underlying insurance" during the term of this policy, our liability will be no more than it would have been if there had been no such increase.

You must notify us in writing, as soon as practicable, if any "underlying insurance" is cancelled, not renewed, replaced or otherwise terminated, or if the limits or scope of coverage of any "underlying insurance" is changed.

14. Expanded Coverage Territory

- a. If a "suit" is brought in a part of the "coverage territory" that is outside the United States of America (including its territories and possessions), Puerto Rico or Canada, and we are prevented by law, or otherwise, from defending the insured, the insured will initiate a defense of the "suit". We will reimburse the insured, under Supplementary Payments, for any reasonable and necessary expenses incurred for the defense of a "suit" seeking damages to which this insurance applies, that we would have paid had we been able to exercise our right and duty to defend.

If the insured becomes legally obligated to pay sums because of damages to which this insurance applies in a part of the "coverage territory" that is outside the United States of America (including its territories and possessions), Puerto Rico or Canada, and we are prevented by law, or otherwise, from paying such sums on the insured's behalf, we will reimburse the insured for such sums.

- b. All payments or reimbursements we make for damages because of judgments or settlements will be made in U.S. currency at the prevailing exchange rate at the time the insured became legally obligated to pay such sums. All payments or reimbursements we make for expenses under Supplementary Payments will be made in U.S. currency at the prevailing exchange rate at the time the expenses were incurred.
- c. Any disputes between you and us as to whether there is coverage under this policy must be filed in the courts of the United States of America (including its territories and possessions), Canada or Puerto Rico.
- d. The insured must fully maintain any coverage required by law, regulation or other governmental authority during the policy period, except for reduction of the aggregate limits due to payments of claims, judgments or settlements.

Failure to maintain such coverage required by law, regulation or other governmental authority will not invalidate this insurance. However, this insurance will apply as if the required coverage by law, regulation or other governmental authority was in full effect.
